

AmeriBanc Confirmation Letter

PLEASE SIGN AND FAX BACK TO: **1-888-538-4255 immediately.**

Congratulations!

AmeriBanc is happy to welcome you on board as one of our Merchant Consultants. As we said on the phone we are very selective in whom we ask to represent us and we are making a commitment of support, training, and service to you. We know that you have above average sales and closing skills and we are excited to work with you.

The main reason we send you this Confirmation Letter is to provide a tangible confirmation from AmeriBanc to you as well as your commitment to come through training and begin your new career in the Electronic Payments Industry with us. When we confirm a territory with our company for you, we begin to staff telemarketers, purchase lists, prepare training materials, make reservations and most importantly, we tell other candidates for your territory "No". A 100% commitment from AmeriBanc to your success helps you to make that same commitment to your own success personally and professionally.

AmeriBanc does not over-hire for our sales territories, which means your successful participation in training and in sales is very important to us. We look forward to a long and fruitful relationship with you that are mutually beneficial as we provide valuable services to our end-user Clients together.
